Current Situation

Firefighters arrived at scene of a vegetation fire above the Cresta Dam off Highway 70. Due to limited ground access, air resources were able to attack the fire and hold the fire to approximately 1-2 acres. Air tankers dropped at least 7000 gallons of retardant, while the helicopter was able to consistently take and drop water from the Feather River, which was right below the fire. Ground resources were able to hike into the fire and will begin to construct line around the fire and hold the fire at its current size. Crews will remain at scene throughout the night.

Evacuations: None
Road Closures: None
